July 6-Aug 5, 2018 *Station Arts Summer Theatre brings you "Prairie Nurse" a culture clashing comedy!*

2nd Avenue! Open for business!

I'm sure that by now, just about everyone will have noticed that 2nd Avenue is open for travel. No more detours!

The final paving touches have been applied and with this, an important infrastructure improvement for our town is in place. Valuing in excess of three million dollars, this project will provide safe and dependable transfer of waste water to our lagoon system East of Highway 11 for many years to come. Many citizens expressed concerns and some impatience with the time it took to finally open the street. To some extent, any project of this value and complexity will run into a few "hiccups" until everything is completed. That being said, I think we all need to be reminded and error on the side of thanks that every home, business and institution could continue to flush and put dirty water down their drains without any interruption as contractors transitioned from the old lift station to the new.

It is our intent to have an open house of our new lift station. You will want to come and have a peek! As I've stated previously, this is a wonderful new and improved facility to have in place. As your mayor, along with council and administration, I'm thrilled to see its completion. Now on to other projects. For example, seen any streets needing pavement? Many challenges need to be faced and will be dealt with as time and revenues permit.

Council always welcomes your comments, questions and support as we collectively continue to make Rosthern a wonderful community for all of its citizens.

Sincerely, Dennis Helmuth Mayor, Town of Rosthern
