

**TOWN OF ROSTHERN  
BYLAW 2014-10**

**A BYLAW TO REGULATE OPEN OUTDOOR FIRES.**

The Council of the Town of Rosthern in the Province of Saskatchewan enacts as follows:

- 1) This bylaw shall be referred to as the **“Open Outdoor Fires Bylaw”**.
- 2) **In this bylaw:**
  - 1) **“Administrator”** shall mean the administrator of the municipality;
  - 2) **“Council”** shall mean the council of the municipality;
  - 3) **“Department”** shall mean the Rosthern Volunteer Fire Department;
  - 4) **“Fire Chief”** shall mean the chief of the Rosthern Volunteer Fire Department or his designate;
  - 5) **“Member”** means a person appointed as a Fire Chief by Council or a member of the Fire Department approved by the Fire Chief;
  - 6) **“Municipality”** shall mean the Town of Rosthern;
  - 7) **“Peace Officer”** means a person employed by the Town of Rosthern as a Bylaw Enforcement Officer, or any person carrying out the duties of an RCMP Officer for the Town of Rosthern.
- 3) **Open-Air Fires**
  - 1) Open-air fires shall not be set unless the following measures are taken to limit their spread:
    - a) fires shall be contained in a non-combustible receptacle constructed of cement, brick, clay (kiln dried) or sheet metal with a minimum 18-gauge thickness;
    - b) the receptacle must be covered with a heavy-gauge metal screen with openings not exceeding 13 millimetres (0.5 in);
    - c) the receptacle shall not exceed a diameter of seventy-five (75) centimetres (29.5 in);
    - d) the receptacle must be located on private property, a distance of at least 3.1 metres (10 feet) from any property line, building or other combustible structure;
    - e) the receptacle must be separated from grass and any other vegetation by a distance of at least forty (40) centimetres (15.7 in) by means of clean earth, sand, gravel, or other noncombustible material.

- 2) The fuel for open-air fires shall consist only of charcoal, cut seasoned wood, or manufacturer's logs.
- 3) The burning of the following materials is prohibited:
  - a) rubbish;
  - b) garden refuse;
  - c) manure;
  - d) livestock or animal carcasses;
  - e) any material classified as a dangerous good;
  - f) any material that, when burned, will generate black smoke or an offensive odour (i.e. insulation from electrical wiring or equipment, asphalt roofing materials, hydrocarbons, plastics, rubber materials, creosote wood).
- 4) The fire must be reasonably supervised so as to prevent its spread.
- 5) The fire shall be adequately ventilated to ensure proper combustion and to prevent an unreasonable accumulation of smoke.
- 6) The fire shall not be set in windy conditions conducive to creating a running fire or a nuisance to another person.
- 7) If smoke from a fire causes an unreasonable interference with the use and enjoyment of another person's property, the fire must be extinguished immediately. Continued offences of this nature could call for the immediate removal and/or suspension of its use for a period of one calendar year, at the discretion of the Fire Chief or Peace Officer.
- 8) The Department may issue a "permit" to a person to set an open-air fire as part of a block party, community event or similar special function or celebration. In this event, the Department may waive any requirements of this section with respect to the permitted open-air fire, but the permittee shall comply with all the other requirements of this section and any other conditions attached to the permit by the Department.
- 9) The Fire Chief, Peace Officer or a designate may suspend a burning permit if the wind or other conditions are not conducive to fire safety on the date specified for the burn. The Fire Chief may validate the permit for another date.

#### 4) **Barbecuing**

- 1) Every person who uses any barbecue or similar device shall:
  - a) Use the barbecue in a reasonable and safe manner;
  - b) Keep the barbecue, when lit, a sufficient distance from all combustible materials ("combustible materials" is not to be interpreted as the railing on a balcony or deck);
  - c) Ensure that a portable grill or barbecue is located on a firm base and firmly anchored;
  - d) Refrain from leaving the barbecue unattended;
  - e) Keep the barbecue in a reasonable state of repair;
  - f) Comply with all federal and provincial regulations regarding the use and storage of propane cylinders;
  - g) Ensure propane cylinders be shut off at the tank valve when not in use;
  - h) Ensure propane cylinders be connected and secured to the barbecue;

- i) Ensure propane cylinders be kept in an upright position at all times, including when the cylinders are in transit, service or storage.

**5) General Regulations**

- 1) Nothing contained in this section shall relieve any person from complying with the provisions of *The Clean Air Act* and the regulations passed pursuant thereto.
- 2) Burning for land clearing purposes is prohibited.
- 3) A permitted fire, outdoor burning appliance or barbecue, which is deemed hazardous, may be extinguished or removed by order of the Fire Chief, Peace Officer or any member.

**6) Exemptions to Burning Regulations**

Notwithstanding any other provision of this bylaw, the Fire Chief or any other member designated by the Fire Chief may burn buildings, structures, or other materials for the purpose of training its personnel in structural firefighting methods, fire investigation procedures, for the purpose of elimination of hazards or any other municipal purposes.

**7) Contravention of the Bylaw**

Every person who contravenes any provision of this bylaw for which no other penalty is specifically provided for in this bylaw is guilty of an offence and liable on summary conviction to a fine:

- a) for the first offence, of \$100.00;
- b) for the second offence, of \$200.00;
- c) for a third or subsequent offence, of not less than \$200.00 and not more than as specified in the "General Penalty Bylaw".

**8) Repeal**

Bylaw 2014-08 is hereby repealed.

**9) Coming into Force**

This bylaw shall come into force and take effect on the date of final passing.

Introduced and read a FIRST time this 17<sup>th</sup> day of November, 2014.

Read a SECOND time this 17<sup>th</sup> day of November, 2014.
